ABOUT US

Auron Nexora Ltd is a dynamic Event and Communication solutions company based in Kenya, Nairobi and founded in 2019, specializing in delivering seamless, high-impact conference and event experiences. We are committed to supporting organizations in creating meaningful engagements through well executed events that leave lasting impressions.

At Auron Nexora Ltd, we believe that successful events are built on clear communication, strategic planning, and flawless execution. Our goal is to not only meet expectations but to exceed them creating experiences that connect people with 7 years of experience inspire collaboration, and drive results. Auron Nexora Ltd delivers integrated event solutions from planning to post event support, ensuring smooth, efficient, and impactful experiences. Our expertise in logistics interpretation, audiovisual services, and allows us to tailor each event to our clients' needs.

We partner with corporates, government, NGOs, and international organizations to deliver events that meet global standards combining skilled teams, reliable technology, and a client focused approach to ensure consistent quality and excellence.

We apply globally recognized standards in translation and interpretation to deliver clear, accurate, and impactful communication ensuring every message is understood while preserving the speaker's intent across diverse audiences.

With extensive expertise across a wide range of languages including english, Kiswahili French, Portuguese, Arabic, Amharic, Mandarin Chinese, Spanish, Japanese, German, Somali, Italian, and Russian, as well as all Kenyan local languages we are equipped to support multilingual engagements of any scale, from intimate meetings to large international conferences.

We stay ahead by actively listening to our clients and continuously refining our services to meet their evolving needs. Our team of native speaking translators brings global, cross sector experience, ensuring every project meets the highest linguistic and cultural standards.

As a leader and dedicated team, we value collaboration and flexibility tailoring our solutions to each client while efficiently delivering across a wide range of projects.

CONFERENCE INTERPRETATION

SIMULTANEOUS INTERPRETATION

Simultaneous interpretation is the real-time translation of a speaker's message into another language as they speak, allowing audiences to listen instantly without interruptions.

CONSECUTIVE INTERPRETATION

Consecutive interpretation is when the speaker pauses to allow the interpreter to translate the message into another language, ensuring clarity and accuracy in segments.

DOCUMENT TRANSLATION

Document translation is the conversion of written content from one language to another while preserving its original meaning, tone, and context.

WEBSITE TRANSLATION

Website translation is the process of converting a website's content into another language, making it accessible and understandable to users worldwide.

SIGN LANGUAGE TRAINING

Sign language training teaches individuals to communicate using gestures and signs, enabling effective interaction with people who are deaf or hard of hearing.

VIDEO CONFERENCING

Video conferencing is a live, online meeting that lets people see and hear each other in real time from different locations.

CONFERENCE INTERPRETATION EQUIPMENT

Auron Nexora Ltd provides industry-standard interpretation equipment that supports communication in high-level international settings.

conference multilingual, Our solutions are designed to meet the technical and operational standards required for global conferences, diplomatic forums, and institutional engagements.

We supply fully integrated systems including interpreter consoles, ISO-compliant soundproof booths, wireless receivers, headsets, and microphones, ensuring clear and uninterrupted audio transmission. Our systems are scalable and adaptable to multiple languages and varying audience sizes.

Supported by experienced technicians, we manage the full lifecycle of equipment deployment, from setup and testing to real-time monitoring and dismantling. Our goal is to ensure that language accessibility is delivered seamlessly, enabling inclusive and effective participation for all attendees.

EVENT SERVICES

VENUE SOURCING

Auron Nexora Ltd identifies and secures the ideal venues for conferences, workshops, and high-level events, ensuring each location meets technical, logistical, and accessibility requirements. We provide tailored recommendations and handle negotiations, allowing clients to focus on content while we ensure a seamless, professional setting for every event.

EVENT STAFFING

Auron Nexora Ltd provides professional, trained event staff to ensure seamless operations and exceptional attendee experiences. Our personnel are skilled in registration, guest management, technical support, and on-site coordination, offering reliable, discreet, and efficient assistance for conferences, workshops, and large-scale events.

EVENT PLANNING

Auron Nexora Ltd provides end-to-end event planning services for conferences, workshops, and institutional engagements. We design, coordinate, and execute events with precision, ensuring alignment with client objectives, international standards, and stakeholder expectations. Our planning approach emphasizes efficiency, inclusivity, and seamless execution.

EVENT MANAGEMENT & COORDINATION

Auron Nexora Ltd offers comprehensive event management services tailored to the complex requirements of international organizations, development agencies, and corporate institutions. We specialize in delivering structured, well-governed events that align with global standards and stakeholder expectations.

Our approach combines strategic planning with meticulous execution. We oversee all aspects of event delivery including concept development, program design, stakeholder coordination, vendor management, and on-site operations. Our processes are guided by efficiency, accountability, and attention to detail. We understand the importance of protocol, inclusivity, and compliance in high-level events, and we ensure that every engagement is delivered with professionalism, discretion, and cultural sensitivity.
